Membership: Reminders have gone out

Scholarship: 2 half applications have been received. Still 3 more available.

Park Liaison: Request for signage at the beach in Montauk has gone up the ladder and it's in the sign shop. There are trees coming down at Indian Island County Park. That is the beginning of the work for the new check-in station. Step one is Cesspools for new building. The electrician is out on injury so Southaven electric for group area on hold. The parks were closed for the big snow storm. FYI All the department trucks are transferred to general services to plow the streets as needed.

Kick Off:

Club Sales: Applications received from Pathfinders, Campers of Long Island, South Shore Injuns, and the Polecats.

Entertainment: Not arranged yet

Meals: Turkey Dinner

Fundraisers for Scholarship Fund: Hot Dog Sale, Food Sale and the 50/50 raffle. The Polecats have volunteered to be in charge of Teen Activities.

Member asked if a generator could be used at night for his wife's cpap machine. The answer was no. He was instructed to send in application with doctor's note for electric site. Also suggested was to use his invertor and to check if her machine has battery back-up.

New Business:

Member asked about FCRV Spring Campout. Dave pointed out the forms on the front table including the NCC Membership and FCRV Suffolk District Campout application.

Member requested trimming of the trees going into the group areas at Cedar Point. The trees are scraping the sides and roofs of the RVs. Dave will call.

It was requested that one-way driving be brought back to Kick Off. Dave said the signs and arrows are in the shed.

Old Business:

Member requested follow up on the check-out times. It is check-out 12 noon uniformly throughout the campgrounds. Camping fees went up this year. Most of the fees went up \$2.
