President Edward O'Shaughnessy opened the General Membership meeting of Suffolk Committee for Camping at 7:30 PM. The salute to the flag was led by Ed followed by a moment of silence.

Board members in attendance: Steve Doner, Clare Gunning, Donna O'Shaughnessy, Edward O'Shaughnessy & Ken Weeks.

Clubs Represented: Pathfinders, Cruisers, Hooters, Mallards, Drifters, LI Polecats, The Long Islanders and Long Island Wagoneers.

Motion made to accept the minutes as read by Frank Fox. Second by Terry Mackenzie,

Membership: 16 clubs have paid dues with roster. Waiting on the remaining 6 clubs.

Scholarship: We now have 2 applications.

KickOff: As of right now everybody who requested electric has gotten it. There were only 22 requests. Only 132 applications have been received. The playground that was going to be by the building has been put off so we can get that area for the tent. It will be 2 tents with the same footage. We're working on plaques for Dave and Sharynn. We're working on the hay ride transportation. Kelly had some really good ideas on crafts and games for the kids of different age groups. She explained what she had in mind for the groups. She'll be working with Maryann on that. She's looking for any help.

Good & Welfare: Jim is here back on his feet.

Old business: Member reminded everyone that they are checking the VIN #s on the campers. They are also checking inspections and registrations. People are being turned away at the campgrounds.

The current registration system has no way to list the group areas and dates available. The new registration system that could do that was supposed to be installed in Oct/Nov. That contract fell through. There is a new vendor they are trying to get.

They have Southaven left hand side closed off. Rumour is they are working on electric. They have repainted the number for sites.

New business: Kelly is trying to put a shirt together for KickOff. They would be \$25. All the bathrooms have been redone at Smith Point. The Activity Center is completed. Member requested they put lifeguard at the campground beach area. The parking area is being cleaned up, construction machinery is being removed.

Financial statement was given.

Next meeting is May 7th. 7:30pm

A motion was made to close the meeting by Mike O'Connor. Second by Jim DeMartini,
